HURRICANE Cold Water Gas Belt Drive **NEW 2019**

Mad Max belt drive units are the newest addition to the Hurricane line of pressure washers. This monster will give you 4 GPM at 3500 PSI and is built on our "made in the USA" marine grade aluminum platform.

Our Honda belt drive engines are specifically tuned to operate in the maximum power range, allowing for reduced wear and smoother operation.

The new air circulating design will help reduce case temperature and extend belt life.

Mount for up to 100 hose reel is optional and should be ordered with machine.

- Triplex plunger oil bath pump
- 13 HP Honda GX390 engine
- Optional electric start
- Adjustable pressure unloader
- Low oil alert

- Aircraft grade aluminum frame
- 13" foam filled tires
- Dual handles for easy lifting for storage
- Ship common carrier only
